

MID-AMERICAN CONFERENCE ANNOUNCES POSTPONEMENT OF FALL SPORTS SEASON

The Mid-American Conference has announced the postponement of all scheduled fall contests, as well as MAC championships, due to continuing concerns related to the COVID-19 global pandemic. The Council of Presidents unanimously voted to take this action with the health and safety of its student-athletes, coaches and communities as its top priority. It is the intention of the membership to provide competitive opportunities for the student-athletes in these sports during the spring semester of 2021.

The fall sports affected are men's and women's cross country, field hockey, football, men's soccer, women's soccer and women's volleyball. At this time, there have been no decisions made regarding winter sports.

The MAC has begun formalizing plans for the 2021 spring semester. The Conference will continue to consult with its Medical Advisory Panel and will monitor developments surrounding the pandemic with state and local health officials, the CDC, WHO and governmental entities.
